Following the tradition so well established by Dave & Diane Bright the weekend
will start as always with a bracing coastal walk and visit to a hostelry. In the
evening a delicious meal followed by presentation of fancy dress prizes, then
music and dancing until late.

Above are some ideas to get you started thinking about your costumes but we
have provisionally booked the entire hotel and there are no limits to members
imagination, so don't be shy! Equally if you prefer to wear more conventional
party clothes you are just as welcome. Fancy dress is usual but not compulsory!
